POLSKA RZECZPOSPOLITA LUDOWA

MINISTER ŁĄCZNOŚCI

Warsaw, December 7, 1963

Dear Mr. Postmaster General,

It was with great satisfaction that I learned from our deputy Prime Minister Mr. P. Jaroszewicz of the interest you take in the country of your ancestors. I can well understand your feeling.

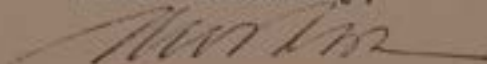

And I wish to say with all sincerity that I would be only too happy to be your host in our country, to entertain you as best we can and as befits a member of the cabinet of the United States of America.

Consequently, I hereby have great pleasure in inviting you together with your wife, your father and such other accompanying persons you might care to choose to be my guests in Poland at a time and for a duration most convenient to you. All details - I venture to suggest - could be arranged by our Ambassador to the USA Mr. E. Droźniak.

I assure you, Mr. Postmaster General, that it would be a great honour for me to play host to you and that I shall do my real best to make your and your party's stay in our country as interesting and worth-while as possible.

Awaiting your kind reply I am, with best regards

Yours sincerely,

Zygmunt Moskwa  
Minister of Posts and Telecommunications  
of the Polish People's Republic

The Honorable John A. Gronouski,  
Postmaster General,  
Post Office Department,  
Pennsylvania Avenue,  
Washington, D.C.
