INFORMATION MEMORANDUM FOR THE PRESIDENT

Subject: Body of U.S. Citizen Found in Prague River

The body of Charles H. Jordan, an American who was an official of a Jewish relief organization, was found today in the Vltava River in Prague. Jordan had been missing for five days.

Cause of the death is not known. He had been the object of a nation-wide search by Czech police who were informed that he was missing by our Embassy.

Jordan was a well-known officer of the American Joint Distribution Committee which provides aid to Jews in North Africa, the Middle east and Europe.
